Welcome to the New School Year

Nelson : Hello everyone! Welcome to the 2026 new school year! I am excited to work with everyone again, and to meet the new first year students. I hope we will all do our best together! Study hard, but also be sure to take it easy, and have some fun too.

Alex : Hello! My name is Alex, and I am a new assistant English teacher at Kiyota High School. I come from Germany, and I am very happy to be here in Hokkaido. My hobbies are building drones, running, and going to sento. I hope we can learn together and enjoy English in class. Please feel free to say hello when you see me. I am excited to meet all of you!

新年度が始まり、期待と少しの緊張の中で学校生活が始まってから、1か月余りが経過しました。みなさんは、「なりたい自分」に向けた挑戦を始めていますか。

グローバルコースは、英語に触れる機会が非常に多い、恵まれた学習環境です。英語のシャワーを存分に浴び、発言のチャンスを大切にするとともに、仲間と学びあいながら、確かな力を身につけてほしいと思います。

Liz : Hello, everyone! I'm very happy to start the new school year with you. I hope we can learn English together, share ideas, and have fun in class. Please enjoy the new spring season; it is the perfect time to make new friends and new memories. Let's do our best together this year! Enjoy the beautiful weather!

Sam : Welcome back to school, everyone! Are you enjoying yourselves? Winter was a bit difficult this year, so I'm very glad it's spring! I'm looking forward to enjoying Hanami when I have the time! In the U.S., our school year usually ends in May or June, so even though we just started, I already feel like taking a break... Let's all do our best, though! We can't get lazy at the very beginning! 😊

Science Dialogue: Learning from Scientists

去る4月20日と5月7日、北海道大学大学院から3名(アメリカ、スウェーデン、中国)の科学者をお招きし、それぞれの研究分野についてお話いただきました。研究内容だけでなく、研究に至るまでの過程や、研究者としての心構えなど、参考になる部分も多かったのではないのでしょうか。
